Church Letter

From the Revd. Sandra Ward

I hope you have all had the opportunity for some change and relaxation over the summer and have been able to enjoy being with family and friends.

It is a principle enshrined in the Bible that we should have times of refreshment, so that we are better able to do whatever our work or responsibilities entail.

It seemed that as soon as schools had broken up notices appeared in shop windows for "Back to School", which seems rather hard! As I write this letter in September schools have gone "Back to School".

September and October are a time for new beginnings – starting school, moving classes, going up to a different school or soon to University, college or employment. I know that we wish all our children and young people well as they face many new challenges.

It is also the time when Clubs and Societies resume, and it is good to join a group and meet friends old and new. In the Church we are looking forward to our Harvest Festival Services and Suppers when we come together to give thanks to God for all his gifts over the year and to raise money for those in need. We all enjoyed the settled, warm, clear weather in early summer, although I know that some of us found the heat difficult, and we felt for our farmers with their concerns for their livestock and dry fields. But we knew that the rain would

come and the fields are green again. There are ripe blackberries for our picking in the hedgerows, apple and plum trees are laden, vegetables are growing for harvesting, rosehips, hawthorn and rowan are glowing with berries for the birds.

It is a simple thing to let all this goodness remind us of God our Father's faithful generosity over the seasons. We may be sure that he graciously receives our thanks and that what most pleases him is that we should appreciate and care for his creation and share his gifts with others. We need to remember that we really are blessed with God's creation.

Then God said, *"I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food. And to all the beasts of the earth and all the birds in the sky and all the creatures that move along the ground – everything that has a breath of life in it – I give every green plant food"* and it was so.

(Genesis 1: 29-30)

A VIEW FROM TEBAY

From Reg Capstick, Reader Emeritus

BREXIT! A word which seems to have been with us for years but was, in fact, coined very recently and which – in my mind – should now be well past its sell-by date. Politicians are not my favourite people and I rarely watch, listen to or read about them if I can avoid it. I realise this is a narrow minded, short sighted attitude but at my time of life politics means very little. I always use my vote but realise it rarely affects what happens. Now, I understand, we may be moved into a different constituency, where the current MP, Tim Farron, is a Lib Dem, so rather than voting for a party I may well vote for a person. I will still cast my vote but with some reluctance as I have no influence on the constituency changes. In my view, the sooner the Brexit issue is settled the better.

Having got that lot off my chest I can now turn to pleasanter issues. I want to wish all the best to two young people from my part of the village who are just beginning an important, life-changing stage of their career in education. One is Megan Allen, who is going to Bristol University to start the long and arduous course of study to become a Vet. I am sure she will succeed in her aim and make Susan and Steven proud. The other is Deanne Dunkinson, who is going to Lancaster to do a Maths Degree, and I know her capacity for hard work, allied to her ability, will see her through and make Jo and Steve equally proud. I recently came across a copy of the ceremony when I got my teaching qualification, way back in 1960, and I remember how pleased my Mam and Dad were at the time.

Things have changed here in recent years. When I passed the dreaded 11plus – I still don't know how, given that I was useless at Maths (and still am) – the choice was between Appleby and Kendal Grammar Schools. Now, of course,

all pupils go elsewhere – currently Kirkby Stephen or Settlebeck are the choices. Tebay School has undergone a difficult period but will, hopefully, prosper again under new leadership. Wherever Tebay youngsters go now it is to be hoped they make the best possible use of their opportunities.

Whatever intelligence any of us have it is vital that we use it to the best of our abilities as an old Chinese proverb puts it: intelligence consists in recognising opportunity.

The opportunity each of us has, whatever age we may be is to live, as John Wesley once said "to be useful to others". With God's help and a reasonable amount of common sense this is a pretty good aim for all of us.

WHY...

'J'Unction' ?

- Tebay = Junction 38.
- Tebay's past was as a railway junction.
- Tebay Church was built by a railway company.
- J stands for Jesus.
- Unction means 'anointed' or perhaps 'blessed' / commissioned by God to do something

This is the reason several of us meet to pray. We believe that however hard we work and rush around to this, that and the other, prayer is vital. We set aside time to meet and pray and ask God's anointing/blessing on all that we do in his name. We stop – to listen, to be together, to bring before him the needs of our community.

So..... Why not J'Unction?

We meet every Tuesday in October, February and June – and also the **first Tuesday of every month** – in The Hub at Tebay Church from 7.30 to 8.30 pm.

Bowjangles present Excalibow at Orton

Comedy string quartet, Bowjangles bring their most magical show so far to Orton Market Hall with a theatrical, musical journey through myths, folklore, legends and a portal in a cello case in the quest to find the most priceless relic of all - a magical violin bow known as Excalibow.

The Bowjangles string quartet have travelled the world with their unique brand of performance and toured to village halls with Highlights in Spring 2015 with their previous show, *On the Box*. They are back on the rural roads again and appearing at Orton Market Hall on the evening of Sunday 28 October.

Bowjangles combine virtuoso string quartet performance with classy vocals, hilarious comedy and energetic dance moves in show that uses almost every style of music. The audience can expect tales of monsters, ancient gods, historical figures and characters of pure fantasy in this action-packed show that takes string quartet performance to a whole new dimension.

Musicians Ezme (cello), Bertie (viola), Ed (violin) and Mitch (violin), deliver their show with fiery musicianship, rousing songs and four part harmonies as well as a dash of physical comedy. Join Bowjangles in their quest for Excalibow in a night of singing, dancing, magic - and, of course, music. Suitable for all ages, be warned that this show may contain traces of Abba!

Positive Steps to Avoid a Fall

People of all ages fall. However, the consequences of falling for older people can be serious.

Falling due to aging is not inevitable - there are simple things we can do to minimize risk.

- **Get regular exercise** to improve strength, fitness and balance.
- **Have your eyes and hearing checked.** Vision and hearing play a vital role in balance and movement.
- **Ask your pharmacist or GP for an annual medication review.** Some medicines or illnesses, such as poorly controlled diabetes, can make you feel faint or dizzy.

- **Look after your feet.** Painful feet and ill-fitting shoes can affect your balance and increase the risk of falling.
- **Make sure you get enough calcium and vitamin D** to keep bones strong.
- **Check your homes for trip hazards.** Some risks are obvious but often overlooked, such as clutter or poor lighting.

Making small adjustments in your daily life doesn't mean that you have to limit your activities. In fact, it can give you greater freedom and confidence.

If you do have a fall or feel at risk of one, tell your GP.

Orton Manor Court

What is Orton Manor Court and what does it do?

Orton Manor Court has been in existence since the twelfth century. While now its powers are limited, it does still hold and administer several parcels of land.

There have been no Lords of the Manor since the seventeenth century, when a small group of landowners bought the manorial rights from the existing Lords. In turn the remaining leaseholders were able to buy their freehold.

What does this now mean? Anyone who owns a freehold property within the area of the Manor Court and who lives there permanently (i.e. it is not a holiday home or holiday let) is entitled to stand for election to the Orton Manor Court Committee, and can attend and vote at the Annual Meeting and any special meetings that may be called.

It is the responsibility of the Committee to look after the day-to-day business of the Court. The Committee meets 4-6 times a year and currently has two vacancies.

If as a freeholder you are interested in becoming a member of the Committee, or would like to know more about the Court and the area it covers, please contact Wendy Higgins, Steward to the Court, on 015396 24780.

ORTON MANOR COURT **TRIENNIAL MEETING,** **3rd SEPTEMBER 2018** **Abridged Minutes**

Present: 3 Officers and 11 freeholders. There were three apologies for absence.

1. **Minutes** of the AGM held on Monday 3rd July 2017: These were agreed unanimously.
2. **Treasurer's report:** The Treasurer had resigned, but had prepared a report which was presented by the Steward.
 - a. **Income** for year 4.7.17 – 3.7.18: (including grass lettings, interest, Rural Payments Agency Single Farm Payment, rights of way, and United Utilities wayleaves): £1,744.20.
 - b. **Expenditure:** (including water rates for Meldykes, hall hire, Orton School donation, tree work by Joe Sylva, and NFU Insurance): £1,457.63.
 - c. **Closing balance:** Current account: £4,296.16. Business reserve: £8,727.32. Total: **£13,023.48**
3. **Steward's Report:** The names of Committee members were read out; two had resigned and she expressed her thanks for all they had done. All other Committee members were willing to serve again, and though there was no actual election it was assumed that the meeting was content for them to be re-appointed *en bloc*.

It had been a quiet year, with one or two long-standing problems solved. The usual land lettings had continued. An officer of Cumbria Wildlife Trust, and a visiting botanist, had visited Meldykes, where a wildlife meadow was being established and over 100 species of plants had been identified. This land should be managed with light grazing only, and not horses. An application had been made to register it as a "County Wildlife Site".

4. **Matters raised from the floor:**

- a. The Parish Council had cleared the beck behind the bus shelter.
- b. The planned Interpretation Board for the churchyard was to be paid for by OMC: it was confirmed that this money was earmarked up to a total of £500.
- c. Meldykes had not been let last year, which meant there had been no income from it. It had been let this year, but it needed long term management, so a 10-year lease would be drawn up, with a 5-year break clause.
- d. The land at Park Lane end had not been let this year – no bid had been made.
- e. The Minutes of the AGM would be published on the new Orton website since an abridged version would be in the Link, which was published on the website.
- f. It was pointed out that some people were dumping grass clippings and unwanted apples on local verges, which is damaging to the wildflowers, and encourages coarse grasses and nettles; members were urged to discourage people from doing this.
- g. The Steward would write an article for The Link about OMC, as some new residents may be ignorant of it; a new treasurer was being sought, but the outgoing treasurer would continue to do the work until a replacement is found.
- h. The Chairman thanked the Steward for all she did.
- i. There being no further business, the meeting closed at 8.03 p.m.

The next meeting of the Committee is on
Monday 5th November 2018 at 7.30 p.m.

Orton Community Speed-watch

**Volunteers Wanted - help
keep the roads and people in
this village safe by volunteering.**

Vehicles speeding through our village have been a concern for residents for many years.

Orton now has a team of volunteers monitoring the speed of traffic through the village and working in partnership with PC Colin Bailie and Eden Police.

Orton Community Speed-watch sessions are carried out at approved and risk assessed sites throughout the village.

There was a noticeable drop in vehicle numbers exceeding the speed limit through the village during the initial sessions in early August. It was obvious that the

visibility of the team roadside was acting as a deterrent.

Although Speed-watch activity is largely a preventative measure, the data collected is logged and used by the Police. Those identified as exceeding the speed limit can expect to receive an advisory letter from Eden Police. Community Speed-watch helps change people's attitudes towards speeding. The message for those drivers is "please slow down, think of others and help us all to be safer on the roads".

Speed-watch gives local people, who are willing to be trained volunteers, the opportunity to get involved in road safety in their village.

For further details please contact the Orton Co-ordinator, Joanne Hall: 015396 24554.

Puzzle day

On Thursday 13th of September, years 5 and 6 are going on a trip to Kirkby Stephen Grammar School for a puzzle day. A puzzle day is where there is lots of different games and we will go round as a class playing them. There will be a few other schools there as well. During dinner

break we may be able to see the old year 6s.

It is a story about a golden bird and a golden apple tree.

We are all really enjoying it.

Notes from the Herald, September 1918

Very wet month. 8 hour downpour in night of 14/15th, floods.

Orton's Dr. Gibson, J.P., chaired the committee organising Kirkby Stephen's "Our Day" Red Cross Do, a two day event Wednesday and Thursday, 4/5th. Numerous attractions e.g. Rummage Sale and Whist Drive (Wed. Evening), Fancy Dress Parade, Garden Produce Show and Sale, Schools' Art Competition, Teas on Thursday.

Tebay Golden Wedding of Mr. and Mrs. Richard Mason for these 35 years living in Willington, Co. Durham but wed in Tebay Primitive Methodist Chapel in 1868, the bride being daughter of the late Mr. George Jackson, Town Foot Farm, Tebay, "the pioneer of Primitive Methodism in Tebay". She is now 75, he 78. She has been a Local Preacher for 56 years in the Brough, Crook, Auckland and Willington P.M. Circuits, he ditto for 57 years. Their seven children are now all married and all four of their sons are Local Preachers, their youngest, James being well-known in the Brough Circuit. (Note: By the 1820s many thought that Wesleyan Methodism had lost its founders' fervour and they broke away returning to "primitive" i.e. first, principles. A century later they re-united. The P.M.s or "Prims" were also known as the Ranters. Those in the Upper Eden were said to sing hymns to their farm animals.)

Gelstone Farm (30 acres in Tebay Gill, no house) is for sale. Auction soon. Tebay Mart's (pop-up) annual Sale of 50 cattle and 500 sheep is at the Cross Keys Hotel on Wednesday, 11th September. Mr. John Potter's farm-sale, Tebay is on Friday, 20th at 1pm; no lunch, but usual three months' credit for the purchasers of the lots.

Mrs. Capstick, of the Black Swan, Ravenstonedale for twelve years, has been ill in bed for the last three months; died of heart failure on Friday, 15th, aged 62. She was from Tebay and her two sons are in the War.

Ravenstonedale's Children's Concert (they as performers) on Sat. 31st August afternoon, in Mr. J.W. Moore's building at Garshill, had Mrs. Denyer as producer. Her husband is a doctor in a Liverpool military hospital. She rents a house in Ravenstonedale every summer. The concert made £5.7s.0d (now £428) for the Blue Cross for wounded horses in the War.

By 21st, one of the two camps of German POWs drafted to help as harvesters in Upper Eden was in tents in Newbiggin-on-Lune. The other was in Hills Bottom, Kirkby Stephen (where the cricket ground now is).

At the start of the month Westmorland County Councillors decided after a lively debate that they should be paid their expenses. (Doesn't say when this would begin). Clocks go back at 3am on Monday 30th September.

Joke: Corporal to soldier reporting sick: "What's wrong with you? – "Pain in my Habdomen" – "Nonsense, it's in your stomach. Only Officers have Habdomens!"

Thanks to Jeremy Godwin for the Notes

Autumn is upon us and this month we are celebrating being awarded a
National Award for

'The UK Best Inn 2018'

at the great British pub awards held by the Morning Advertiser

Alongside this we were named in the Observer Newspapers

'Top 20 UK pubs with rooms'

Come and see what all the fuss is about. Enjoy our full a la carte menu in the candlelit restaurant, sample local ale in the hops-blanketed bar, relax with a coffee in the cosy fire lounge, or get lost in a book in our gardens and courtyards.

Rest those walking legs in one of our 4AA Gold Star rooms,
many of which are dog friendly.

Our Head Chef Scott & team have created some fabulous new
seasonal dishes for you to enjoy.

We are open all day, every day, serving breakfast, coffee and cake, lunch, snacks,
and dinner, including a traditional Sunday Roast.
