WAITBY
Wharton House &
attached barn

NY 70 NE WAITBY 6/78 Wharton House & attached barn II House with attached barn, dated 1714 with later additions. Linewashed rubble walls. C20 reproduction slate roof with corniced stone end chimneys. 2 storeys, 2 bays with lower entrance bay to right (under same roof as barn); C20 part-glazed door has initialled and dated lintel with small window to 1st floor. Main part of house has 2 paired-sash windows to each floor (sashes are later C18 replacements, but in original frames). Internally, windows have fluted pilaster mullions, panelled shutters, and window seats. Panelled heck with octagonal post. Oak doors are mostly late C18/early C19 panelled, but 2 earlier C18 panelled doors with reeded rails and stiles survive upstairs. Staircase has 2 turned balusters per tread and a ramped, squared, handrail. Late C18/early C19 8 bay

Hi all , This is where our Wharton family started . well close enough . 1700 and something . It has w+i over the lintel.
